ABOUT ME

- I am a Software Developer student at IDN Backpacker School Sentul, focusing on full-stack web and mobile app development. I have hands-on experience with Laravel, JavaScript, Flutter, PHP, MySQL, and UI/UX design. I am eager to contribute to real-world software projects while continuing to grow as a developer.

EXPERIENCE

- Speaker | AUG 2025**
Sekolah Indonesia Cairo
 - Delivered a sharing session during the IDN Backpacker program, sharing experiences about learning, leadership, and personal development.
- JavaScript Trainer | APR 2025**
SMAN 8 Kota Serang
 - Trained 10th-grade students on JavaScript fundamentals, including programming logic, variables, functions, and basic implementation.
- Canva Trainer | APR 2025**
SMPN 9 Kota Tangerang
 - Taught 9th-grade students how to use Canva for basic design, layout, and presentation projects.
